ROCKCLIFF RESOURCES INC. APPOINTS GLENN M. BOWMAN AS DIRECTOR

TORONTO, March 11, 2010 – Rockcliff Resources Inc. (“**Rockcliff**” or the “**Corporation**”) (**RCR: Tier 1 TSX-V**), is pleased to announce the appointment of Mr. Glenn M. Bowman to its Board of Directors.

Glenn M. Bowman, FCA, is Managing Partner with Capital Canada Limited (“**Capital Canada**”), a recognized leader in providing investment banking services to predominantly mid-market companies. Mr. Bowman is a Chartered Accountant and a Fellow of the Institute of Chartered Accountants of Ontario. He served on the Accounting Standards Board of the Canadian Institute of Chartered Accountants from 2002 to 2006. Mr. Bowman’s responsibilities at Capital Canada include investment banking, financial advisory work, and financial restructuring services. Prior to joining Capital Canada, Mr. Bowman was the President and Director of investment bank Houlihan Lokey Howard & Zukin Canada where he was responsible for managing the Canadian operations including new business and staff development. Mr. Bowman has extensive experience in a wide range of topics including mergers and acquisitions, private placements of debt and equity and preparation and assessment of financial forecasts. Mr. Bowman has served as a lecturer at the University of Toronto and at York University, and he has been a speaker at functions held by numerous business and educational institutions. Glenn has been interviewed on mergers and acquisitions topics by some of the leading business publications in the world including *The Wall Street Journal*, *The Globe and Mail - Report on Business* and *The Financial Post*. Glenn also volunteers his leadership, talents and time to a number of community endeavours.

Mr. Bowman has been granted 200,000 options exercisable \$0.28 for five (5) years.

“We are very pleased to welcome Glenn to Rockcliff’s Board,” said Ken Lapierre, President and C.E.O. of the Corporation. “His extensive experience in corporate finance will be a tremendous asset to our company”.

About Rockcliff Resources Inc.

Rockcliff Resources Inc. is a Canadian resource exploration company focused on discovery and advancement of its high-quality mineral assets at its Snow Lake Project. Rockcliff presently controls the Snow Lake Project totalling in excess of 600 km² of which 440 km² is 100% owned by Rockcliff and located within and proximal to the Snow Lake Camp. The project presently includes five historical VMS deposits (Lon, Rail, Reed, Kof and Sylvia), one former gold mine (Century Mine) and numerous additional areas with potential for VMS and gold mineralization. Rockcliff also controls (100%) the Shihan VMS Project located in Northern Ontario.
